

# 4 Nights – 5 Days Incentive Programme Cyprus

  
**Ovation**  
Strategic Partner

Since the beginning of time, people have chosen Cyprus as a **meeting place** due to its location at the crossroads of Europe, Asia and Africa. Our ancestors used Cyprus' amphitheaters and castles to welcome their guests and forge alliances. Millennia later, the island remains an ideal place to meet, talk, exchange ideas and above all have fun!

An aerial night photograph of a large resort pool complex. The pool is illuminated with blue lights and has a complex, winding shape. It is surrounded by numerous lounge chairs, palm trees, and other tropical vegetation. In the background, there is a large, multi-story hotel building with many lit windows. The sea is visible in the upper left, with a few small boats. A large white circular inset is placed over the right side of the pool, highlighting a specific area of the pool and the surrounding deck.
