Destination Experience

Amsterdam

From its humble beginnings as a 13th century fishing village on a riverbed to its current role as a major hub for business, tourism and culture, Amsterdam has had a strong tradition as a center of culture and commerce. From its canals to world-famous museums and historical sights, Amsterdam is one of the most romantic and beautiful cities in Europe while also being a city of tolerance and diversity.

Amsterdam has all the advantages of a big city: **culture, nightlife, international restaurants, good transport** - but is **quiet**, and largely thanks to its **canals**, has a little road traffic. In Amsterdam your destination is never far away, and you could get a bike for the most authentic experience.

Amsterdam's appeal lies in its rich **cultural heritage, diverse & creative culture, commercial dynamism and high quality of life**. Ultimately, the city's strongest asset is its people: the people who live here, the people who work here, the people who study here, and the people who visit here. And building the bridge between all these people. What makes Amsterdam so special? With its unique combination of old-world charm and cosmopolitan culture, Amsterdam is one of the most popular European cities for international visitors.

Coaches Policy Within Amsterdam

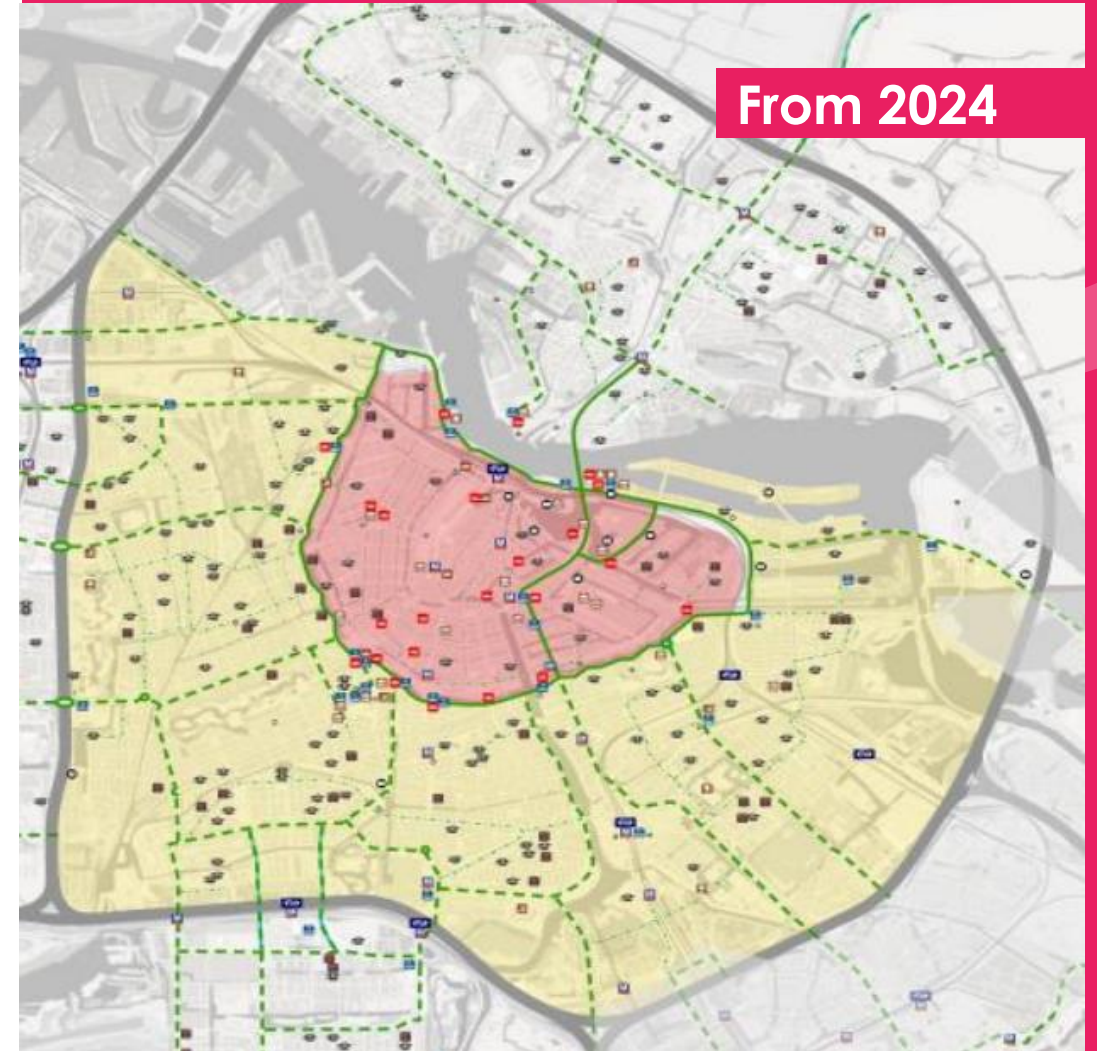

Amsterdam has a new policy for coaches within the city center of Amsterdam. As an event agency, we must take this policy into account. Over the years, Amsterdam will have some changes for the routes of the land transportation. Some routes are not allowed to use for (large) coaches. Our team will advise you regarding your needs for a transportation plan. To already make you aware of the coaches policy, please find below the details to read the maps.

From 2024 Amsterdam will introduce new rules for coaches.

Heavy coaches (those weighing more than 7.5 tons / max 28-seater) will be banned within the S100 ring road (red zone on the map).

Legend:

- **RED area:** Only small coaches (< 28 seaters) allowed outside the mandatory coach routes.
- **GREEN lines:** Mandatory coach routes
- **Yellow area:** Accessible for all coaches (following the green mandatory coach routes)
