

2 Nights Meeting Programme Brussels

 Ovation
Belgium

Brussels is a cosmopolitan city, with a liveliness and an appeal that are intimately related to its role as a crossroads for all of Europe. Architectural styles range from Gothic cathedrals and churches to the gracious classical facades of the **Palais des Nations**, the **Royal Palace** and to the many art nouveau and art deco houses in the comfortable neighbourhoods where the Bruxellois live.

The heart of Brussels and the place to start getting to know the city is the **Grand Place**. This historic square, lined with exuberantly ornate guild houses and focused on the Gothic heights of the Hotel de Ville, is widely held to be one of Europe's finest.
