Day 1

For those guests, whose rooms are not finished at arrival, we offer an individual “Introduction to Vienna”. Professional guides will be available for a short familiarization tour through the city. The tour can be individually adapted to the wishes of the guests. Our recommendation would be to give an overall walking experience of the city center, its small streets and its main building.

- **Evening – Welcome to Vienna**

Vienna is as famous for its composers and waltzes as it is for its baroque architecture. At your hotel, this evening's function takes on a distinctly elegant feel. Enjoy fine Viennese cuisine and excellent wines to the strains of Strauss' immortal melodies in the background.
