

Diving into the authentic Spain

6 days / 5 nights

Ovation
Spain

Be surprised ...
By Madrid, its nobility of the facades, the wide avenues drawn
between two giant squares, the prestigious monuments, the
churches laden with gold. Clearly, the royal style imposes its
codes and its beautiful manners.

Then by Costa del Sol with its places full of history, the Arab-
Andalusian culture, the music that carries us away, the beach
rosaries. It is Andalusia!!

Day 1

Madrid

○ Discover the heart of Madrid

Madrid of “the Austrian district” is the name given to Madrid at the time when the Habsburg dynasty reigned in Spain . This tour is going through the Renaissance and Baroque buildings of this period, the most picturesque in the city: Plaza Major, Puerta del Sol, Real Theatre, Opera house etc.

Stop for a quick Tapas with a drink at San Miguel market, one of the main gastronomic markets in the world where guests can have a tour of the flavours coming from each corners of Spain.

Lunch in one of the most popular gastronomic restaurants offering Basque cuisine with Mediterranean touches based on very fresh products. This restaurant is located 15 minutes walking from the Market and is located next to the old stables of Liria Palace.

○ Free time for shopping experience

Shopping in Madrid has become one of the main activities of visitors to this city. The quality, quantity and variety of goods on offer is simply astounding and the main shopping areas add the incentive of being in architecturally rich settings so that you can combine shopping with a thorough knowledge of Madrid's architecture.

○ Evening-Dinner at emblematic venue

Memorable dinner at one of the symbolic location in Madrid, a real representation of the classical architecture that is so typical for Madrid. The venue is in an exceptional historical building on the Calle Alcalá, right in the heart of the city. Inhouse catering by the hand of a 1 Michelin star chef.
