Seoul

Day 2

○ Discover the Soul of Seoul

No trip to Korea would be complete without a visit to its Demilitarised Zone. Since the collapse of the Berlin Wall in 1989, the DMZ remains the only cold war zone in the world. Viewing the barbed wire fencing that runs along its "Freedom Road" adds a new dimension to understanding the situation, the tensions and the reality of the North and South Korea division. Step over the Freedom Bridge where 12,773 Korean War prisoners walked to freedom in 1953 and visit the 3rd Tunnel, the infiltration passage dug by the North Koreans.

Return to Seoul and spend some time exploring the city's cultural treasures of centuries old palaces including Gyeongbok palace, and the National Folklore Museum which showcases the country's rich heritage.

○ Evening - Dinner Cruise on Han River

As night draws in, the Han River comes alive with glimmering lights and a very special atmosphere.

From the ornate comfort of a traditional Dragon Boat, see an intriguingly different, almost mystical side to Seoul. Relax and enjoy a delicious dinner as soaring skyscrapers silently float by.
