

3 Nights Winter Incentive Programme

Stockholm & Lapland

Ovation
Sweden

Stockholm is Scandinavia's largest city and offers unparalleled cultural and historical grandeur in Northern Europe. It has all the comforts of a big city, with the added coziness of a small town. A short internal flight away, the perfect Winter wonderland of Swedish Lapland is the most Northern part of the country and represents about a quarter of Sweden.

Day 1

Stockholm & Lapland

Day 1

○ Morning

Arrival in Stockholm and city orientation tour. Our interactive tour involves supplying your guests with tablet devices which are customized with fun exercises, tricky questions and instructional information to explore the city.

○ Afternoon

Also included in this afternoon's programme is a visit to a trendy Swedish culinary hotspot.

Day 2

Stockholm & Lapland

Day 2

○ Morning

Flight to Swedish Lapland. Guests are transferred to our local 'adventure camp' directly from the airport. Here, they will partake in some thrilling cross cart rides on the prepared tracks of a frozen lake and then partake in a 'folk rally' in a fleet of vintage Volvo cars. Afterwards, warm up with a lunch in a traditional teepee style restaurant before getting back out on the ice to experience a dog-sledge ride and competing in a high stakes Swedish curling tournament.

○ Winter cruise – break some ice!

Not your typical group cruise by any stretch of the imagination, guests board a special 'ice breaker' boat to explore the nearby offshore archipelago, which consists hundreds of islands and is frozen over.

○ Evening

Step forward the brave amongst your group-guests can step off the boat to walk around the ice and, if they dare, take a swim in the icy water with special survival suits. Finally, today's dinner is made from 100% local produce and is served in a cozy and unique Lappish manner.

Day 3

Stockholm & Lapland

Day 3

○ Morning

Jump on a snowmobile and ride to the edge of the sea. This full-day safari takes guests out to the packed-ice of the Northern archipelago, where the water hits the ice and forms the most unique and natural ice sculptures. During the day guests practice ice-fishing skills, stop at a fishing village and cook their own lunch on an open fire.

○ Dinner on Ice

To conclude guests' stylish Swedish experience, your group will dine on ice! With hundreds of lanterns lighting up the night sky, guests walk out on the ice to a tee-pee where a three course gala dinner is served.
