6 Nights Incentive Programme

Bhutan
Bhutan or the “Land of the Peaceful Dragon” is a country of sprawling forests, venerated monasteries, overpowering fortresses; lush green valleys fed by bountiful rivers and age-old practices. Cultivated fields surrounded by pitched roof houses with their typical trefoil-shape windows and Dzongs (fortresses) dominate the scenery with their sheer size. Its people are hardworking, vibrantly attired and deeply religious while the land is immaculate.

Undoubtedly, Bhutan is home to many spiritual dzongs, fortresses and monasteries.
