New York

New York City is always in motion. The constant influx of new hotels, restaurants, off-site venues, and group activities makes the Big Apple a thrilling backdrop for meetings, conferences, and incentive groups of all kinds. We get you beneath the surface of New York – in all five boroughs. Welcome to our take on the Big Apple.

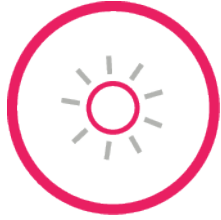

Day 1

New York

Day 1

- **Morning & Afternoon - Arrivals**

After a warm welcome at one of three (3) international airports – John F. Kennedy International (JFK), LaGuardia (LGA) and Newark International (EWR), delegates are transferred in style to their hotel of choice.

- **Evening – A Welcome from Above**

Welcome to the Big Apple! What better way to see the city than from above? Guests will enjoy a fabulous welcome reception at one of New York City's many event venues with a view (including One World Trade Center, the Empire State Building, Rockefeller Center, and more)!

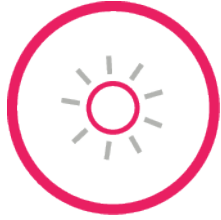

Day 2

New York

Day 2

○ Morning/Afternoon - The Real New York

Experience our “Real New York” tour – not the traditional tour busses you see around the city – your own dedicated luxury shuttle with experienced multi-lingual guides that get you behind-the-scenes and VIP access to all of New York’s top attractions. This is the perfect way to see all of New York’s top sights within a short period of time.

○ Afternoon/Evening – The Show Must Go On

A visit to New York is not truly a trip until you experience Broadway. For this exclusive experience, guests are invited to a private reception and dinner prior to enjoying one of New York’s top Broadway shows. As a surprise after the show, guests are escorted to an undisclosed location to meet with the cast of the Broadway show and indulge in a fabulous dessert reception!

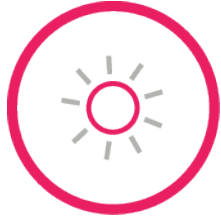

Day 3

New York

Day 3

○ Morning/Afternoon – Taste of New York

New York is home to 5 distinct boroughs with thousands of restaurants. Enjoy a guided tour through some of New York's famous neighborhoods and enjoy a Taste of New York at local restaurants, bars and bakeries. This is surely a meal you cannot miss!

○ Evening – Take In the Manhattan Skyline

For the show stopper, guests are invited to their own private yacht for a cocktail reception and plated dinner experience. Set sail along the Hudson River and take in intimate sights of the Statue of Liberty, Ellis Island and the famous Manhattan skyline. This is a terrific way to end an incentive program in the Big Apple.

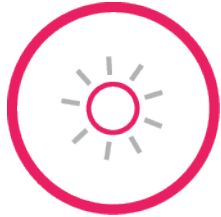

Day 4

New York

Day 4

○ Morning – At Leisure in Nature

Before heading home, guests are invited to enjoy one of New York’s iconic parks – including Central Park, Madison Square Park, Bryant Park and more, at leisure. For groups that are interested in organized activities, our team can also curate a morning yoga experience or walking tour through Central Park – both are relaxing, invigorating and a perfect way to end their trip to New York City before their journey home.
