Las Vegas

Best known as an oasis of neon lights, A-list entertainers, and clanging slot machines in the desert Southwest, Las Vegas is also the world's leading meeting, convention, and trade show destination. That's owed to the fact that it's home to more than half of the 20 largest hotels in the world, not to mention restaurants, shops, and street performers around every corner. But there's more to do in Sin City than just blackjack and the world-famous Las Vegas Strip.
